The Stewards,

- having received a report from the FIA technical Delegate, stating that car No. 224 has not presented at the scrutineering the FIA Technical Passport with the ASN stamp,
- summoned and heard the team representative (summons No 1),
- having considered the following matter, determine the following:

Driver and car No: Leeroy Poulter – Car Nr 224

Competitor: TOYOTA GAZOO RACING SOUTH AFRICA

Time : 09:30

Session: SCRUTINEERING

Fact: Presenting a FIA Technical Passport without ASN stamp

Offence: Breach of Article 4.12 of 2017 FIA CCR General Prescriptions.

Decision:

- to impose a FINE of 1.200 euros and
- **CAR NOT ALLOWED TO START. This Decision is SUSPENDED** until the next FIA CCR event entered by the above mentioned vehicle.

[Fines: In accordance with Article 12.7 of the FIA International Sporting Code, fines shall be paid within 48 hours of their notification. Any delay in making payment may entail Suspension during the period a fine remains unpaid.]

Reason:

After hearing the explanations of the FIA Technical Delegate stating the items missed in the FIA Technical Passport presented by the competitor and, therefore, not being able to give the appropriate and required authentication.

After hearing the explanations of Team representative No. 224 stating that he has accomplished the requirements of his ASN, and having had the appropriate inspection of his ASN, receives an old version of the FIA Technical Passport and having requested the new one, he receives the FIA Technical Passport without stamp.

Having considered that the missing stamp and the required authentication affects the participation of this car from an administrative point of view rather than a security point of view.

Having considered that this matter concerns a procedure system concerning the validation of FIA Technical Passport and a matter between the concerned ASN and the FIA Technical Department.

The Competitor is reminded of his right to appeal in accordance with Article 15 of the FIA International Sporting Code.
